

ADVOCATE APPRECIATION NIGHT

CASA of Yellowstone County is a nonprofit organization dedicated to mentorship and advocacy for children in our local foster care system. This mission is accomplished through the compassion and commitment of our 150 volunteer Court Appointed Special Advocates, who are appointed by a judge to represent a child or sibling group in foster care and speak up for their best interests. In a world that can feel uncertain and constantly changing, Advocates provide consistency, stability, and a caring presence which helps children feel seen, supported, and valued.

To honor the incredible impact of our volunteers, CASA of Yellowstone County hosts an annual Advocate Appreciation Night. This year, the celebration will take place on June 9th at Zoo Montana. It is a special evening to recognize the dedication of our Advocates, present annual awards, and come together as a community to celebrate the remarkable difference they make in the lives of children and families.
