

2026 CASA EVENT SPONSOR

Court Appointed Special Advocates
FOR CHILDREN
CASA OF YELLOWSTONE COUNTY

CASA of Yellowstone County is a nonprofit organization dedicated to mentorship and advocacy for children in our local foster care system. This work is made possible by our incredible volunteer Court Appointed Special Advocates (CASAs), who are appointed by a judge to speak up for a child or sibling group and ensure their needs and best interests are always at the center of every decision. CASAs build strong, trusting relationships and serve as steady, caring adults throughout a child's time in foster care, offering consistency, encouragement, and hope during seasons of change.
